

# Summer Care 2010!

Summer is approaching quickly so that means it is time to get registered for Summer Care at the St. Joseph Lab School! Included in this packet is some general information you will need for making your Summer Care plans:

1. A Summer Care Contract that will need to be completed by all families who plan to attend Summer Care
2. A registration form to be filled out and returned with the Summer Care contract and tuition prepayments
3. A Calendar of Events schedule for each summer month

Please read over all of the information carefully. Our program is open to students in preschool-sixth grade. All students need to be able to take care of their own bathroom needs. Summer Care is open from 7:00 a.m. -5:30 p.m., Monday-Friday. Our room is located on the top floor of the school. We do not provide lunch, so children will need to bring a lunch from home, as well as a morning snack, if one is desired. Summer Care will provide a healthy afternoon snack for the students. If you have any questions about our program or would like any further information, please feel free to contact Karen Forney, our Aftercare/Summer Care Director, or Karl Terhaar, the School Principal.

We have a wide variety of events planned for the children, including some fun science activities with Mr. Terhaar, our own “Mr. Science,” and some exciting art activities with Ms. Cheri, our beloved Preschool Teacher. Students will be required to pre-register for these activities so we have enough supplies for everyone. You can pre-register your child/ren for these events by calling Karen at (320) 363-7769 ext. 202, or by emailing her at [aftercare@churchstjoseph.org](mailto:aftercare@churchstjoseph.org). Please pre-register for “Cooking with Karen” days, and for all trips, too. Pre-registration should be completed at least two weeks in advance. (The sooner the better for the sake of getting enough supplies and rides for everyone.)

**We will also be making weekly trips to the St. Ben's Library to participate in their Summer Reading Program. The day and time have not been determined yet, because St. Ben's program hasn't been finalized yet. We will meet with Sr. Stephanie, who reads to the children some of her favorite stories.**

**We will try to keep cool this summer by visiting a variety of Splash Pads, as well as St. John's Beach and Summerland!**

**We also have plans to attend one movie matinee each month. We have chosen movies that will be appropriate and entertaining for all ages.**

**Since art has become a major part of our Summer Care program, we are incorporating a trip to the Lemonade Arts Fair on the SCSU campus, and to the Art As You Like It studio in Waite Park. More details will follow when they become available.**

**If you are interested in helping chaperone any of these events and/or would like to provide transportation for the children, please contact Karen as soon as possible to get the proper paperwork you will need to do so.**

**We are considering joining the students from the Little Saints Academy on a few field trips, as well. We will let you know of any plans as soon as they are made. Amy Vos, the Director, is still in the process of finalizing her plans for their summer program.**

**Thank you to all who plan to participate in our Summer Care program. We appreciate your commitment and dedication. You are the ones who make our program a success! We look forward to an exciting, safe, and fun-filled summer with your child/ren!**
