## June--September, 2010

### Church of Saint Joseph

#### MEMO TO ALL LITURGICAL MINISTERS

Greetings to all of you!

As we come to the close of the Great Fifty Days of Easter and enter the period of the church year known as Ordinary Time, I wish to take this opportunity to thank all of you for your important contribution to our celebrations of the liturgy. We have so many wonderful volunteers who put their gifts and talents at the service of our faith community! All of you enrich our celebrations of the Eucharist week after week, season after season! Thanks so much!

Attached you will find the schedule for the summer months as well as the month of September. Please check it carefully to be sure you are aware of all your scheduled times. As well, we kindly ask that you be diligent in securing substitutes when you know you will be unavailable. Remember that this schedule (and a complete roster of substitutes) is always available online at the liturgy page of our parish website: [www.churchstjoseph.org](http://www.churchstjoseph.org) Printed copies of the schedule and rosters of substitutes are also available in the East Entrance. The next weekend's list of ministers is always published in the parish bulletin too!

I would like to share with you some timely "housekeeping" items:

1) With the arrival of the summer months and warmer weather, please be advised that while it is tempting to wear them, flip-flops and shorts are not considered appropriate attire up at the altar. Please do your utmost to abide by this policy.

It would be of great help to us if all ministers would keep this in mind even when they are not scheduled. If someone does not show, you may be called upon to serve unexpectedly! Mind you, we are not going to start patrolling like fashion police. Nor do we plan to stop anyone from serving at a liturgy over this issue, especially if they are the only available substitute. We are simply trying to encourage a higher standard of dress for our celebrations of the sacred liturgy. The fact is we have become very casual about dress in our modern culture. We need to ask questions like, "Would I wear this to a play, concert or office party? How gussied-up do I get to go to the casino or when going out for a couple of drinks with friends on a Saturday night?"

Let's raise the bar and give God our best all the time, not just "when I am scheduled". This is also part of the sacrifice of ministry...being prepared to step-in when suddenly needed.

2) USHERS: Please help us keep the Preparation of Gifts moving along. You may begin collecting the offering as soon as the children have come forward. There is no need to wait for stragglers or for the last child to have placed their offering in Father's basket. Of course, we never want to practically "mow anyone down." Use your common sense and always be reverent and respectful. However, please know that you will not be hurting anything or causing a distraction by moving things along. People tend to view this moment in the Mass as being very "important", whereas actually, it is supposed to move along; liturgically, it is merely "setting the table so as to get ready for the banquet."

(over, please→)

3) EUCHARISTIC MINISTERS: two items concerning reverence... a) We need to work on reducing the amount of talking going on around the altar. b) Please, never just “dump” hosts from one plate or bowl (“ciborium”) to another. This is disrespectful of the Body of Christ. The hosts may certainly be “poured” gently from one vessel to another as needed. However they should never simply be “dumped”, for example, while holding the vessel with the hosts several inches above the vessel into which you are making the transfer. Use this as a helpful image: “How would I respectfully transfer food from one dish to another if I was hosting a formal dinner party at home?”

4) LECTORS: Please come forward for the General Intercessions while we are ending the praying of the Profession of Faith (Creed). You should even move the microphone into place as needed while we finish praying. If done gracefully and reverently, there is no reason why this needs to be a distraction from our prayer...we know what you are doing and why. It is **more** distracting to do all of this once Father has begun the Intercessions by praying the Introductory Prayer. Put simply, we want the Lector in place with the microphone set before the Intercessions begin.

Again, thanks to all for your ministry to the Body of Christ! I hope you will find much time for renewal and relaxation with family and friends during this season. May God bless you abundantly!

Sincerely,

David Orzechowski  
Director of Liturgy and Music
