Schwalbach Mechanical Clock

22

Clock No. 3 is put up in the St. Mary's Church at Brillion, Wis., Rev. J. Sprangers. It shows the time on 4 dials of 5 feet and strikes the quarters on two bells and the hours on the largest bell.

A time piece is put in a store building in Jefferson, Wis., at Pournier & Son Co. It shows the time on two dials of 4 feet.

Jefferson, Wis., August 8, 1907.

Messrs. M. Schwalbach & Sons, Milwaukee.

Gentlemen:—The time clock you built and placed in our corner Mercantile Building, facing Main and Racine Streets, is giving excellent satisfaction; with proper care we believe it will show correct time for years to come. We are furthermore pleased to say, although our clock is no striker yet, it is looked up to many times each day and we feel the expenditure is a wise investment, and appreciated by the public in general.

Yours respectfully,

A. PUERNER & SON Co.

By Wm. F. Puerner, Sec'y.

Clock No. 3 is put up in the German Ev. Luth. Church at Jefferson, Wis. It shows the time on 4 dials of 6 feet, strikes the quarters on two bells and the hours on the largest bell.

Jefferson, Wis., August 8, 1906.

Mr. M. Schwalbach, Milwaukee, Wis.
