**Parents and Candidates,**

Please mark these dates on your calendar for now. Because of the uncertainty of the Co-vid-19 Pandemic and not knowing when the Sacrament of Confirmation will take place for 2020-2021, we will start with the above calendar, hopefully being able to meet onsite. If this is not possible, I will set up Zoom or G-To Meetings online. As time passes, I will let you know of the changes in the schedule and/or how the preparation time will take place.
