NOTICE OF PROCEDURE CHANGE FOR EUCHARISTIC MINISTERS

Beginning in November, we will return to providing four cups of Precious Blood at each weekend Mass. **Please see the diagrams on the next page** for the order in which you are to stand. This procedure is exactly the same as what we used to do before the pandemic and the reduction of the number of cups. Ministers who have been serving many years will recognize the procedure as our “pre-Covid” procedure. It has not been changed from what you knew “before”.

If you missed the two update/“refresher” sessions that were offered for this, we will offer it one more time: **Wednesday, October 30, 6:30 pm in church. It will last no more than a half-hour.** No registration is necessary...just come. Often, simply seeing things and having a chance to ask questions is worth more than a thousand written words.

Basic Description: Father Brad will distribute the Body of Christ (host) to everyone, as he has always done. He will then distribute the cups to each of the “Bread” (B) ministers. They will receive from the cup themselves and then turn and administer the cup to the “Cup” (C) minister next to them. Each “Cup” minister then keeps the cup for the distribution of Communion. (The purificator is also passed to them to keep by the Bread minister.)

The odd “C-3” Cup minister who does not have a “Bread” (B) minister standing near them, will be given communion from the cup by Father directly. Of course, “C-3” then also keeps the cup and purificator for the distribution of Communion.

Some pointers:

- It is very important to create a generous space between the two sides.
This is the only way that Father can easily see where the split is.
He needs to be able to see clearly who “B-2” and “B-3” are.
- The diagram also shows which ministers have special duties:
 - The “2s”...i.e. B-2 and C-2, give Communion to the Altar Servers and Lector before going out into the assembly.
 - The “3s”...i.e. B-3 and C-3, give Communion to the Musicians/Choir at the very end of Communion.
 - The “4s”...i.e. B-4 and C-4, distribute Communion to the handicapped area once they go out into the assembly.
(If there are any people in the handicapped area on the piano side, then the “3s” can also take care of this.)
- C-1 is the only position that does not have any additional tasks assigned.

Special instructions for “B-2” at the end of Communion:

After combining all leftover hosts into one bowl and placing it in the tabernacle as usual, Father Brad has asked that the **bowls now be placed on the credence table.** (i.e. the altar servers’ table) They should be **set there individually, and not stacked.** This is to avoid the risk of consecrated crumbs/dust from hosts possibly clinging to the bottoms.) No bowls should be left sitting on the shelf in front of the tabernacle once Communion is finished and the tabernacle has been closed.

All cups are still to be taken behind the wall, with the purificator set neatly over them.

odd-numbered on the cantor/choir side.
